**Report**

**Date: 04/09/2025**

In the academic year 2025-2026 Department of Geography in collaboration with Sangharsh Ganesh Mandal, Sawantpur Vasahat, Ramanandnagar, Tal. Palus, Dist. Sangli organized **"Tree Distribution Prorgame"** under the Extension activities with the intension to participants were educated about the importance of trees in maintaining ecological balance, mitigating climate change and conservation of environment. This activity organized on the occasion of **"Ganesh Utsav"** dated on 4<sup>th</sup> September, 2024 with the help of volunteers and local community members.

The prologue was done by Mr. Satish Maske, He elaborated the Objectives and importance of that programme. The aim of the department to continue such initiatives in the future and expansion of tree plantation drives to other areas. Organize more tree plantation drives in different locations.

Mrs. A. B. Madavi (Head, Department of Geography) communicated to the participant regarding the environmental conservation with the help of tree plantation. Trees will help reduce pollution, conserve water, and prevent soil erosion. Planted trees will provide shelter and food for various species, supporting local wildlife. The tree distribution drive was successful in promoting environmental awareness and contributing to a greener environment. Collaborate with schools and local organizations to promote environmental awareness.

Dr. Nitin Kumbhar also guided to the participant to regular maintenance and care of planted trees. Involvement of local communities in tree plantation and conservation efforts.

Miss Nikita Zambre proposed by Vote of thanks to all volunteers and participants for their support and enthusiasm.
